

REMARKS

Favorable reconsideration and allowance of the subject application is respectfully requested. Claims 1, 3-8 and 14 are pending in the present application, with claim 1 being independent. Claim 2 has been cancelled without prejudice or disclaimer to the subject matter contained therein.

Allowable Subject Matter

Applicant notes with appreciation the Examiner's indication on page 3 of the outstanding Office Action that claims 2-8 would be allowable if rewritten in independent form. For at least the reasons detailed below, all pending claims should be considered allowable.

Claim Rejections

The Examiner rejected claims 1 and 14 under 35 U.S.C. §103(a) as being unpatentable over Porter II et al. (US 4,367,604). This rejection is respectfully traversed.

Applicant has amended independent claim 1 to include all of the subject matter of allowable claim 2. Therefore, independent claim 1 should now be considered allowed.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Martin R. Geissler (Reg. No. 51,011) at the telephone number of (703) 205-8000, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any
